

# **VISION 2025: COMMUNITY KICKOFF EVENT**

## **SHAPING THE FUTURE OF EDUCATION IN KITTERY**

**Thursday, March 19 ★ 6:30-8:00pm**

**Kittery Community Center ★ STAR Theatre**

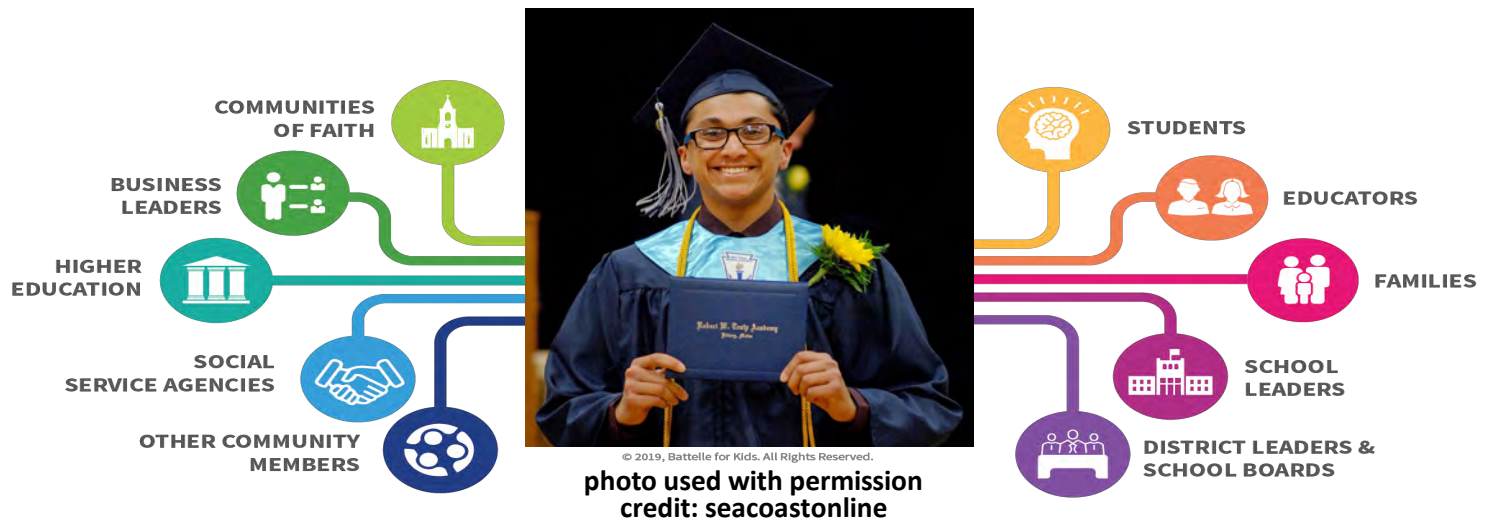

School systems are strengthened when communities are engaged in shaping the future direction of their schools. As a community we must ask:

**What are the hopes, aspirations, & dreams that our community has for our young people?**

◆  
**What are the skills that our children need for success in this rapidly changing & complex world?**

◆  
**What are the implications for the design of learning experiences we provide in Kittery?**

◆  
**Do our students have equitable access to those learning experiences?**

Kittery is creating a new five-year vision that will build upon the '2012 Vision for the Future' & work done to align student learning with 21<sup>st</sup> Century skills and standards-based learning.

**We need your voice! Here's how to get involved**
